↔ Local:	Spanish

Project Description:

ADELA is an association born in 2005 in a organic farm in Valls (named “Can Pipirimosca”), with the aim of promoting a sustainable lifestyle respecting the environment. The project will let the international volunteer to join with other short term volunteers (Woofers and local people) the daily life in the organic farm Can Pipirimosca. Starting from his own experience and the training that he will

receive, he will give support to the members of the association in the tasks of coordination the different activities and the meetings with the volunteers.

Notice: *This is a European Voluntary Service (EVS) project. Restrictive rules concerning the age and home country of the participants apply. Please contact the SCI branch, group or partner organisation in your country for further information.*

Detailed Information:

Work: Daily activities related to organic agriculture, sustainability and recycling; the association occasionally organises meetings and seminars at weekends and also offers the space to other organisations or NGO's to develop their own activities. The objective is to promote values such as respect for the environment, sustainability, cooperation, self sufficiency, community responsibility, and to teach people different knowledge related to art, music, ecology, alternative energy, peace culture, etc The EVS volunteer will also take part in this weekend activities and is free to suggest new projects, to organise activities or to contribute with his/her own experience. All these experiences will provide the volunteer with a multicultural approach to a sustainable and alternative way of life that goes on daily in Can Pipirimosca. . The volunteer will participate to a course of Spanish and he also will have the opportunity of practicing Spanish language with the local volunteers.

Requirements: We look for volunteers interested in environment and nature.

Food: People living in Can Pipirimosca will cook together their meals with the aliments from the ecological farm. Everything is vegetarian. They'll also learn how to make their own bread and cakes.

Accommodation: The volunteer will be accommodating in Canpipirimosca house and he will participate to the common life of the community. He will have a single room in the ecological farm. Kitchen and bathroom are shared with the other peoples who leave there.
